Solid Waste Collection Holiday Schedule

2011

The list below includes U.S. Holidays and the corresponding garbage/trash, yard debris and recycling collection schedule for the week the holiday occurs.

Please note: THERE ARE HOLIDAYS WHERE COLLECTION OCCURS WITHOUT ANY CHANGE IN COLLECTION DAY EVEN IF CITY OFFICES ARE CLOSED. These are highlighted in red below.

When solid waste (garbage, yard debris and recyclables) collection is delayed as noted below, the day of the holiday and all subsequent collection days are delayed one day. For example if the holiday occurs on a Monday, then all collection days that week will be delayed by one day. If it occurs on a Thursday, for example, Thanksgiving, then only Thursday and Friday collections will be delayed one day.
